If you know how to reach any of the following, please let us know:

- Teresa Watson
- Alhonso O'Neil White
- Reverend Mike Elliot

THE BASIC HIV/AIDS PROGRAM helps people take steps to prevent the spread of HIV. The Basic HIV/AIDS Program provides the opportunity to openly discuss the facts about HIV and AIDS and personalize the facts so they become more meaningful. It's a good way to encourage people to adopt prevention behaviors to protect themselves and others from HIV. The Basic HIV/AIDS Program can help people develop and practice skills that they can use in real life situations to protect themselves and others from HIV. Red Cross-trained instructors can conduct sessions of the Basic HIV/AIDS Program in your community.

June 28, 29 & 30th will be the Basic HIV/AIDS Education and Prevention Instructor course. July 1 from 9 AM – 1 PM will be the Cabinet of Human Resources approved CEU Instructor course. You must attend the first three days to attend the July 1st class. **Registration forms below.**
