

WE ARE HERE

**COALITION**  
— FOR THE —  
**HOMELESS**

It is a fact, there are men, women, and children in Louisville who are homeless. These people need our help.

That is why

**WE ARE HERE**

We have been the voice of homelessness in Louisville for over 25 years. We work closely with homeless service providers in our community, civic groups, concerned citizens, faith-based groups, and our local, state, and federal governments.

## WE ARE HERE

educating our community  
in order to inspire change.

Did you know that Jefferson  
County Public Schools have  
counted over 10,500 children as  
homeless for the last two years?

Or that a person would need  
to work 77 hours per week at  
minimum wage to afford the  
typical apartment.

## WE ARE HERE

coordinating efficient use  
of resources and funding.

With 32 separate member groups  
in our coalition, we offer a wide  
variety of assistance including  
emergency night, day and  
children shelters, meals, clothing,  
healthcare, veteran services,  
mental health services, and  
education, among many others.

## WE ARE HERE

and we always will be, until homelessness is eradicated from our great community.

Homelessness is a big problem, but it's not one we can't solve. With a sensible plan, financial resources, and caring people like you helping, we can, and will, put an end to homelessness in Louisville.

## WE ARE HERE

asking for your help.

Together, we can make Louisville  
the Possibility City for everyone.  
Please do what you can to help.
